ABOUT US

... COMMITTED TO EXCELLENCE IN SERVICE DELIVERY

BONGAS is a Nigerian Oil and Gas company focused on Haulage, Logistics, Sales and Marketing of petroleum products for and on behalf of client, customers, investors and stakeholders. Part of our responsibility is providing remarkable services to all our stakeholders within the required time, quality not compromised and with top-quartile efficiency.

Our personnel are located at various strategic (Depot) locations across the country and utilize modern digital technology in geo-tracking, monitoring & management of fleet operations.

BONGAS maintains long-term supply and haulage contracts delivering tens of thousands of metric volumes of PMS, AGO, LPFO, ATK and DPK for a number of credible publicly-listed companies such as Sahara Energy, Conoil Plc, Ardova Plc and IHS Towers. We deliver over 5 million liters liquid volume per month to various in-land Depots and Industrial/Commercial locations across Nigeria.

With our renewed vision of Partnerships for Progress, we are positioned for a well-structured and accelerated organic growth in our value delivery capabilities.

MESSAGE FROM THE CEO

IBRAHIM ABDULKARIM

CEO & FOUNDER

It gives me great pleasure to introduce you to BONGAS. Our company has had a remarkable past; but more importantly has a promising future that is our foundation for success. We have developed corporate culture, techniques and safety standards, thus making us ready for the challenges that today's businesses face.

Moving forward, it is our goal to strengthen and improve our workflow processes and services where possible, and bolster added services as needed by our clientele. BONGAS is innovating itself specific to Energy industry services.

We are committed to conducting our business such that we safeguard our employees, protect our environment, benefit neighboring communities and strengthen our economy. The company has enjoyed a steady growth while evolving into a mature and efficient organization that has won the trust and respect of numerous individual, corporate, industrial and commercial customers in Nigeria. We stand behind our contractual commitments to the delivery of excellence.

We are confident that we will continue to offer cost effective, efficient, safe and comprehensive services to the oil, gas, petrochemical and energy industries. This confidence is shared by our valuable clients and dedicated personnel. BONGAS continually works harder to consistently merit the confidence of our Investors, Partners and other stakeholders around the globe.
